

## Privacy Policy for hosting7.eu

Hosting7.eu fully respects the right of its customers and visitors to privacy and any confidential data they entrust to it. This Privacy Policy only applies to [www.hosting7.eu](http://www.hosting7.eu).

We do not collect personal information about guests of our web site, except when guests give us their own free will and except as described below in this document.

Hosting7.eu does not sell and otherwise does not share personal information of its guests and users with third parties. This document describes the general rules for the collection and use of information provided by our users and visitors.

We want to make sure that users and guests understand how we will and will not use the personal information we provide to us. For this very purpose, please read this document.

We have built our website in such a way that no one is required to provide any personal or personal information for access.

Existing and existing customers and partners can be sure that their personal information (or any information that identifies them) is processed solely for the proper functioning of the site.

Hosting7.eu has security measures to prevent loss, misuse or alteration of the information entrusted. When you place an order online, its information, including your credit card number, is protected by Secure Socket Layer (SSL) technology. It consists of data encryption, which provides protection personal data.

Hosting7.eu reserves the right to change the Privacy Policy by Publishing changes to the website.

We encourage you to check the changes to your document from time to time because if you agree to our Privacy Policy during registration and do not stop using our services after we make changes, it automatically agrees with the new version of the Privacy Policy. . The current version of Privacy Policy is the latest published version.
